

DESIGN AWARD:

*Best Kitchen Award • Turley - 2007 Parade
R.D.G. Roberts Construction*

*"We love our kitchen! It is the focal point & heart
of our home" Trish & Kevin Delanty - 2003*

The kitchen is the most technically complex room in a house. Designing a good kitchen and making it work, as well as making it look good, requires highly specialized knowledge and skills.

A Certified Kitchen Designer will do this for you.
